### Education

University of Arkansas School of Law  
LL.B. - (1963)

New York University School of Law

Tulane Law School

### Bar Admissions

Arkansas

John Selig is Of Counsel and has over 50 years of legal experience representing individuals and companies in complex business transactions. He has provided counsel to companies in raising significant monies through public and private offerings of securities and assisting them in forming, buying, selling and merging other businesses and providing advice to senior executives and boards of directors of numerous businesses.

### Experience

- Served as inside general counsel to a bank holding company and has represented banks and bank holding companies in their formation, daily operations, capital raising, acquisitions and sale for cash or through merger.
- Served as lead counsel in a variety of securities matters including taking companies public, raising funds through private or intrastate offerings and representing broker-dealers and investment advisors before state and federal securities regulatory agencies and self-regulatory agencies.
- Assisted businesses in the purchase and sale of and merger with other companies in Arkansas and other states.
- Represented electric cooperatives before the Arkansas Public Service Commission and assisted them in various other matters, including financings.
