Clean Power Plan: Arkansas Department of Environmental Quality Issues Agenda for January 5th Stakeholder Meeting

Arkansas Environmental, Energy, and Water Law Blog

01/04/2016

As previously noted, the Arkansas Department of Environmental Quality (“ADEQ”) will hold a Clean Power Plan stakeholder meeting on January 5th at the Midcontinent Independent System Operator – South Operations Center at 1700 Center View Drive in Little Rock, Arkansas.

The meeting will begin at 9:30 a.m. and end at 3:30 p.m.

ADEQ has circulated an agenda for the meeting which will include the following substantive topics:

- Progress on comments development and introduction of speaker – Stuart Spencer, Associate Director, Office of Air Equality, ADEQ
- Overview of key choices in the federal plan/model rules – Sarah Adair, Senior Policy Associate, Nicholas Institute for Environmental Policy Solutions, Duke University
- Roundup of key takeaways from series of comments development calls – Tricia Jackson, State Implementation Planning Supervisor, ADEQ
- Working draft comment issues/concepts – Tricia Jackson, State Implementation Planning Supervisor, ADEQ
- Next steps – Eddy Moore, Administrative Law Judge, Arkansas Public Service Commission/Stuart Spencer, ADEQ
