

Solid Waste Association North America (Oklahoma Chapter) Endows University of Oklahoma Scholarship

Arkansas Environmental, Energy, and Water Law Blog

06/24/2016

The Oklahoma Chapter of the Solid Waste Association of North America ("SWANA") announced in a June 21st news release that it has endowed a scholarship at the University of Oklahoma.

The SWANA Chapter's contributions will fund an annual award for undergraduates in the Oklahoma Department of Geography and Environmental Sustainability. Oklahoma chapter treasurer Ken Purdy is quoted as stating:

We have provided the resources and the University will manage the process of identifying students who excel in our field.

The Oklahoma chapter stated that in 2016 it contributed \$25,000 to the Communities Foundation of Oklahoma who also added a \$5,000 match. This foundation and the University of Oklahoma will work together to make the annual student award.
