Investing In Water Supply Protection in Northwest Arkansas: Bob Morgan (Beaver Water District) Presentation Addressing "What They Do and Why They Do It"

Arkansas Environmental, Energy, and Water Law Blog

07/11/2016

Mr. John Pennington, Executive Director of the Beaver Watershed Alliance, announced the next presentation in its speaker series addressing Northwest Arkansas' water supply.

Mr. Bob Morgan, Environmental Manager of the Beaver Water District, is scheduled to talk about "What They Do, and Why They Do It" in regards to "source water protection and how our drinking water supply is kept safe through thoughtful management which includes investment in natural infrastructure and establishment of dedicated funding for source water protection".

The program will be held in Lowell, Arkansas on July 28th from 11:30 a.m. until 1:00 p.m. The location of the presentation is the Beaver Water District Office at 301 North Primerose Road.

The program is free. Those interested in attending should RSVP and call or email the Beaver Watershed Alliance at 750-8007 or info@beaverwatershedalliance.org.
