Mississippi Water Environment Association: 60th Annual Meeting & Technical Conference – June 6th-10th /Call for Abstracts

Arkansas Environmental, Energy, and Water Law Blog

10/20/2016

The Mississippi Water Environment Association (“MWEA”) has scheduled its 60th Annual Meeting & Technical Conference (“Conference”) for June 6th through 10th at the Vicksburg Convention Center in Vicksburg, Mississippi.

The MWEA is a member association of the Water Environment Federation.

The Conference typically attracts operators and vendors from both Mississippi and surrounding states because of the training and networking opportunities.

The MWEA is also issuing a “Call for Abstracts” for what is described as:

... fundamental and cutting edge technical sessions, case studies, and research findings related to the water and wastewater industry.

The examples provided of potential water and wastewater topics include:

- Wastewater Collection
- Water Distribution
- Process Control
- Innovative Treatment Technologies
- Permitting
- Residuals Management
- Laboratory Analysis
- Microscopic Examination
- Disinfection
- Regulatory Issues and Updates
- Safety
- Groundwater Treatment Systems
- Surface Water Treatment Systems
- Water Reuse Management
- Nutrient Removal
- Stormwater

Abstracts must be submitted by January 30th, 2017.

[A copy of the flyer noting both the Conference scheduling date/location and Call for Abstracts \(including submission information\) can be downloaded here.](#)
