Thirty-Second International Conference and Solid Waste Technology and Management: Michael Grappe (Arkansas Department of Environmental Quality) Paper Accepted for Presentation

Arkansas Environmental, Energy, and Water Law Blog

01/16/2017

Director of Special Projects Michael Grappe of the Arkansas Department of Environmental Quality has been asked to present a paper at the upcoming Thirty-Second International Conference on Solid Waste Technology and Management ("Conference").

The Conference will be held from March 19-22 in Philadelphia, Pennsylvania.

The topic of Mr. Grappe's presentation is The Future of Pre-Sub Title D Municipal Landfill Cleanups.

The Conference will address a number of waste management, treatment and remediation issues such as:

- Landfills
- Agricultural Waste
- Policy and Public Involvement
- Use of Waste in Construction
- Biological Treatment
- Contaminated Sites
- Waste Management Planning
- Special Wastes
- Chemical Treatment Advances
- Electrical and Electronic Wastes
- Waste Business Analyses
- Waste Management in Developing Areas
- Recycled Materials
- Facility Siting

Mr. Grappe's presentation will take place on March 19th during a session on landfills.
