

emPOWERing Arkansas 2018: AAEA's 7th Annual Meeting & Policy Conference

Tuesday, October 9, 2018

10:00 a.m. – 4:00 p.m.

Heifer International

1 World Ave, Little Rock, AR 72202

Program Announcement!

emPOWERing Arkansas – AAEA's biggest event of the year – brings together advanced energy business leaders, utility executives, policy makers and regulators, and other industry stakeholders to examine the critical advanced energy policy issues facing our state today, and to recognize innovative industry leaders.

This year's event will include three panel discussions. Utility energy efficiency programs are a proven job creator and economic driver in Arkansas. Engage directly with the leaders overseeing initiatives that have earned national recognition from industry watchers.

"Innovations in Energy Efficiency"

Presented by:

CLEAResult

Featuring:

***Mark Cayce, Ouachita Electric Cooperative Corp.
Sherry McCormack, Southwestern Electric Power Co.
