REGION 4
61 FORSYTH STREET, ATLANTA, GEORGIA 30303
OIL SPILL EXPEDITED SETTLEMENT AGREEMENT**

DOCKET NO.: CWA-04-2015-5019(b)

On February 3, 2015, at 2251 Sylvan Road, East Point, Georgia, Hertz Equipment Rental Corporation (Respondent) discharged approximately 400 gallons of oil in violation of the Clean Water Act (CWA) § 311(b)(3), 33 U.S.C. § 1321(b)(3), as described on the attached "Findings and Alleged Violations Form" (Form), which is hereby incorporated by reference.

The United States Environmental Protection Agency finds that Respondent's conduct is subject to the discharge prohibition of CWA § 311(b)(3), 33 U.S.C. § 1321(b)(3) in conjunction with 40 C.F.R. § 110.3. Respondent admits being subject to CWA § 311(b)(3), and that the EPA has jurisdiction over Respondent and Respondent's conduct as described in the Form. Respondent neither admits nor denies the allegations in the Form.

The EPA is authorized to enter into this Expedited Settlement Agreement (ESA) under the authority vested in the Administrator of the EPA CWA § 311(b)(6)(B)(i), 33 U.S.C. § 1321(b)(6)(B)(i), as amended by the Oil Pollution Act of 1990, and by 40 C.F.R. § 22.13(b) and § 22.18(b)(2)-(3). The parties enter into this ESA in order to settle the civil violation described in the Form for a penalty of \$500. Respondent consents to the assessment of this penalty.

This ESA is also subject to the following terms and conditions: Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that it has investigated the cause of the spill, it has cleaned up the spill pursuant to federal requirements, and it has taken corrective actions that will prevent future spills. Respondent, also by signature on this ESA, agrees to pay the penalty assessed within thirty (30) calendar days of receiving written notice that the ESA has been executed and effective. Do not enclose payment. The EPA will provide instructions in writing on the procedures for making the penalty payment to the "Oil Spill Liability Trust Fund" with a copy of the Final Order.

After the parties sign this ESA and Respondent pays the civil penalty, the EPA will take no further action against Respondent for the violations described in the Form. However, the EPA does not waive any rights to take any enforcement action for any other violations by Respondent of CWA § 311(b)(3) or any other federal statute or regulations.

Upon signing and returning this ESA to the EPA, Respondent waives any right to judicial review under CWA § 311(b)(6)(G), 33 U.S.C. § 1321(b)(6)(G), any right to appeal or request a hearing to contest any fact or allegation, and consents to the EPA's approval of the ESA without further notice. Failure by Respondent to pay the penalty assessed by this ESA in full by its due date may subject Respondent to a civil action to collect the assessed penalty plus interest, attorney's fees, costs and an additional quarterly nonpayment penalty pursuant to CWA § 311(b)(6)(H), 33 U.S.C. § 1321(b)(6)(H). In any such collection action, the validity, amount, and appropriateness of the penalty shall not be subject to review.

This ESA is binding on the parties signing below. Each person signing this ESA certifies that he or she has the authority to sign for the party who he or she represents and to bind that party to its terms. The ESA is effective upon the EPA's filing of the ESA with the Regional Hearing Clerk. If Respondent does not sign and return this ESA as presented within thirty (30) calendar days of the date of its receipt, the proposed ESA will be withdrawn without prejudice to the EPA's ability to file any other enforcement action for the noncompliance identified in the Form.

**Findings and Alleged Violations Form
Expedited Oil Spill Agreement**

1. Hertz Equipment Rental Corporation (Respondent) is a corporation organized under the laws of the State of Delaware with a place of business located at 999 Vanderbilt Beach Road, Suite 300, Naples, Florida. Respondent is a person within the meaning of Section 311(a)(7) of the Clean Water Act (CWA), 33 U.S.C. § 1321(a)(7).
2. Respondent is the owner or operator of an onshore facility within the meaning of Section 311(a)(10) of the CWA, 33 U.S.C. § 1321(a)(10), which is located at 2251 Sylvan Road, East Point, Georgia (“facility”).
3. Section 311(b)(3) of the CWA, 33 U.S.C. § 1321(b)(3) prohibits the discharge of oil into or upon the navigable waters of the United States or adjoining shorelines in such quantities that have been determined may be harmful to the public health or welfare or environment of the United States.
4. For purposes of Section 311(b)(3) and (b)(4) of the CWA, 33 U.S.C. § 1321(b)(3) and (b)(4), discharges of oil into or upon the navigable waters of the United States in such quantities that the United States Environmental Protection Agency has determined may be harmful to the public health, welfare or environment of the United States are defined in 40 C.F.R. § 110.3 to include discharges of oil that violate applicable water quality standards, or cause a film or sheen upon or discoloration of the surface of the water or adjoining shorelines, or cause a sludge or emulsion to be deposited beneath the surface of the water or upon the adjoining shorelines.
5. On February 3, 2015, Respondent discharged approximately 400 gallons of oil, as defined in Section 311(a)(1) of the CWA, 33 U.S.C. § 1321(a)(1), and 40 C.F.R. § 110.1, from its facility into or upon an unnamed tributary of the South River and/or adjoining shorelines. The EPA obtained this information from the Federal On Scene Coordinator’s observations documented in the Pollution Report.
6. The unnamed tributary flows into the South River, which eventually flows into Lake Jackson. Lake Jackson is a “navigable water of the United States,” as defined in Section 502(7) of the CWA, 33 U.S.C. § 1362(7), and 40 C.F.R. § 110.1 and is subject to the jurisdiction of Section 311 of the CWA.
7. Respondent’s February 3, 2015 discharge of oil from its facility caused a film or sheen upon, or a discoloration of, the unnamed tributary of the South River and/or upon adjoining shorelines, which eventually flows into Lake Jackson, and therefore was in a quantity that has been determined may be harmful under 40 C.F.R. § 110.3, which implements Section 311(b)(3) and (b)(4) of the CWA, 33 U.S.C. §1321(b)(3) and (b)(4).
8. Respondent’s February 3, 2015 discharge of oil from its facility into or upon the unnamed tributary of the South River and/or adjoining shorelines, which eventually flows to Lake Jackson, was in a quantity that has been determined may be harmful under 40 C.F.R. § 110.3. Respondent therefore violated Section 311(b)(3) of the CWA, 33 U.S.C. § 3121(b)(3). Pursuant to Section 311(b)(6)(B)(i) of the CWA, 33 U.S.C. § 3121(b)(6)(B)(i) and 40 C.F.R. § 19.4, the Respondent is liable for civil penalties of up to \$16,000 per violation, up to a maximum of \$37,500.
