About The AEF

The Arkansas Environmental Federation is a private, non-profit environmental education association that formed in 1967. The AEF works closely with industry, as well as state and federal environmental, safety and health regulators. The AEF's efforts focus on educating environmental, health, and safety professionals through educational workshops. We advocate economic growth with environmental concern through practical, scientifically based regulations.

For membership information or to register on-line, visit the AEF's website at www.environmentark.org, send an email to mbrookins@environmentark.org, or call 501-374-0263.
