Mitchell Williams has extensive experience in the area of creditor rights, handling a wide range of issues including bankruptcy, foreclosure, replevin, farm mediation, lender liability defense and environmental matters.

Our attorneys have extensive experience in successfully representing secured creditors, unsecured creditors, indenture trustees, institutional lenders, equipment financiers, receivers, landlords and purchasers of assets in a wide variety of bankruptcy cases and non-bankruptcy workouts and loan restructurings. The firm also has extensive experience in structuring diverse corporate, real estate and bond transactions in order to minimize insolvency and bankruptcy-related risks and other bankruptcy related issues.
