The Cities of Rogers and Bentonville Pass Ordinances to Allow On-Site Alcohol Consumption

Both the City of Rogers and the City of Bentonville recently passed ordinances allowing the on-premises sale and consumption of alcoholic beverages within city limits. Restaurants and other eligible establishments wanting to sell alcoholic beverages for on-premises consumption may immediately apply for such permits. Restaurants in Rogers and Bentonville that are operating under a private club permit may convert to a restaurant permit by completing an application available from the Arkansas Alcoholic Beverage Control.
