Defense of trucking and transportation matters requires lawyers that are assertive and detailed-oriented. At Mitchell Williams, our team of transportation defense lawyers serves the trucking, motor carrier and transportation industry clients with an experienced immediate response team to respond to the scene of major accidents.

Our transportation defense team is well versed in trucking and transportation matters and represents transportation companies directly and through insurance carriers. Our lawyers provide on site investigative services to evaluate the drive, examine the claimant and investigate all aspects of the accident. We have experience preserving physical evidence, recording witness accounts and investigating the cause of the accident. Throughout our years of experience, we have built a strong network of reconstructionists, adjusters, law enforcement personnel, medical specialists and other experts to assist in determining the best course of action and defense of our clients interests.

We represent:

- Commercial motor carriers including semi trucks
- Common carriers
- Contract carriers
- Private carriers
- Local delivery carriers
- Public transportation providers;
- Freight transportation and logistics companies

Our services include:

- Complex litigation
- Commercial litigation
