Jessica Melton is a business attorney and concentrates her practice on transactions and general corporate matters. Prior to attending law school, Jessica worked as a teacher and as a supervisor in a variety of nonprofits where she developed the skills necessary to solve complex problems and lead diverse groups. Jessica's experience enables her to work with the Corporate Law team to provide clients with prompt, proactive, solution-driven counsel that balances business goals and legal concerns.

Experience

- Assists on mergers and acquisitions, entity formation and corporate governance matters.
- Drafts a variety of agreements related to day-to-day business operations.
- Conducts research on corporate governance policies and operations, and estate issues.
- Conducts research and prepares memos on property law, procurement law and tax issues.
- Reviews corporate governance compliance certificates and SEC rules for compliance.

Involvement

- Louisiana Bar Association
