Managed Care

#### Education

Life Office Management Association  
(LOMA),

Associate, Insurance Regulatory  
Compliance (AIRC) - (2014)

University of Central Oklahoma,  
Bachelor of Science in Organizational  
Leadership - (2010)

Heather Reeves, AIRC, supports firm counsel with all aspects of insurance and insurer-related regulatory compliance. She coordinates major state licensing efforts and regulatory filings with state insurance departments for insurers of all types as well as insurance agencies. Prior to joining the firm, Heather was employed by a national life, accident and health insurance company group for 22 years where she served as assistant vice president, director of compliance for seven years. Her extensive experience with state laws, statutes, regulations, state filing portals and national filing portals, combined with her excellent rapport with state regulators, ensure clean filings and outstanding approval rates.

#### Experience

- Reviews and interprets state insurance code, laws, statutes and regulations.
- Coordinates primary licensing, expansion, re-domestication, acquisition, merger, change of control and corporate amendment filings.
- Assists in creating policy language in compliance with applicable state insurance laws.
- Conducts multi-state insurance regulatory research projects.
- Proficient in coordinating state insurance exams.

#### Involvement

- Member, Life and Health Compliance Association
