Attorney Verenice Perez Taylor brings several years of commercial banking and investment finance experience to her work with lenders, borrowers and businesses on commercial lending, construction finance, real estate and corporate transactions. Her understanding of the financial sector enables her to help the team identify potential risks associated with commercial loans and offer support in navigating the complex regulatory environment of commercial finance. Verenice's keen attention to detail and clear communication style plays a key role in supporting the representation of clients with regulatory and transactional matters.
