

Elaine Douglas

Senior Regulatory Consultant

Email:	edouglas@mwlaw.com
Phone:	(512) 480.5127

Elaine is a senior insurance regulatory and compliance professional with more than three decades of experience supporting insurance companies and consulting organizations across multiple lines of business. She has extensive background in multi-state regulatory filings, statutory and regulatory research, policy and contract language analysis, product compliance, regulatory communications, and complex project coordination. Elaine also has experience working directly with state insurance regulators, clients, legal counsel, executives, and cross-functional business teams.

Education

Oregon State University
Paralegal Certificate - (2026)

Portland State University
B.S. in Psychology

Experience

- Assists with regulatory filing and implementation activities for life and long-term care insurance products across multiple jurisdictions
- Works with compliance and legal counsel to interpret and implement regulatory and business requirements.
- Coordinates responses to regulators and supported market conduct examinations and other compliance-related initiatives.
- Maintains and coordinates detailed regulatory and project documentation supporting client needs, compliance activities, and business decision-making.
- Conducts multi-state legal and regulatory research for insurance clients involving statutes, regulations, administrative guidance, bureau materials, and product compliance requirements.
