The Arkansas Environmental Federation ("AEF") will be holding its annual Health and Safety Seminar ("Seminar") on July 16th in Little Rock, Arkansas.

The Seminar will be held at Arkansas Electric Cooperative Corporation's headquarters.

The Seminar targets a number of personnel with interest in health and safety such as:

- Safety and Health Managers
- Plant Managers/Supervisors
- Maintenance and Environmental Managers
- Human Resource Professionals
- State and Local Regulatory Agency Professionals
- Local Government Officials

The Seminar will address:

- OSHA Update
- OSHA Area Director for U.S. Department of Labor
- Human and Organizational Performance
- Tom Harvey, CSP, Allied Safety
- Workplace Threat Management
- Officer Henry Moore
- Immersive Visualization for Safety and Health Management
- GHD Representative

I, along with my Mitchell Williams Law Firm colleague Nate Read will be addressing a topic titled:

Medical Marijuana – Cards Issued, Now What?

Attendees can obtain continuing education hours which include:

- Continuing Education Units
- National Registry of Environmental Professionals
- Continuing Legal Education
- American Board of Industrial Hygiene
- Professional Engineer Development Hours

A copy of the Seminar brochure can be found [here](#).
