Crafton Tull announced that Karen (McSpadden) McCurdy has joined the firm as Senior Vice President in its Environmental Division.

Crafton Tull has Arkansas offices in Rogers, Little Rock, Conway, Russellville and Fayetteville.

Oklahoma offices include Tulsa and Oklahoma City.

Crafton Tull states that Ms. McCurdy will be responsible for its portfolio of environmental services projects which include:

- Environmental assessments
- Environmental studies
- Environmental documentation
- Environmental permitting

The firm further states that Ms. McCurdy has:

... over 20 years of experience in the environmental field, both in regulatory compliance for facilities throughout the region and in non-regulatory environmental programs.

Ms. McCurdy's recent work has been focused on industrial air pollution permitting and compliance.
