# Affordable Clean Energy Rule Vacatur/Biden Administration/Energy Mix and Grid Resilience: Stuart Spencer (Mitchell Williams)/Franz Litz (Consultant) March 16th Environmental Insights Webinar

03/04/2021

Mitchell Williams Law Firm will be holding its next Environmental Insights Webinar on March 16th titled:

*ACE No More: Analyzing the D.C. Circuit's Vacatur and Remand of EPA's Affordable Clean Energy (ACE) Rule, the Biden Administration's Clean Slate to Regulate Carbon Dioxide, and Musings on the Energy Mix and Grid Resilience ("Webinar")*

The webinar will address:

- U.S. D.C. Circuit Court of Appeals Decision vacating and remanding the Affordable Clean Energy Rule
- Analysis of short/long-term implications on environmental, energy and administrative law
- President Biden's climate agenda
- Does vacatur of the Affordable Clean Energy Rule provide a clean slate to develop CO2 mitigation?
- Discussion of grid considerations as related to fuel type and mix
- How grid resiliency and reliability factor into a climate policy agenda

The speakers will include Stuart Spencer (Mitchell Williams Law Firm) and Franz Litz (Environmental/Energy Consultant).

Stuart formerly served as the Arkansas Department of Energy and Environment – Division of Environmental Quality Associate Director and previously headed up the Office of Air Quality as its Chief.

Franz has over 25 years of experience in environment and energy consulting with state governments, think tanks, non-profit organizations and industry. He was formerly a state official in New York and launched the Regional Greenhouse Gas Initiative.

The webinar will be held from 12:00-1:15 central standard time.
