## Solid Waste Management Services: Northwest Arkansas Based CARDS Recycling & Disposal Acquires Missouri Waste Company

02/04/2022

CARDS Recycling & Disposal ("CARDS") issued a January 31st news release announcing the purchase of HTS, LLC ("HTS").

CARDS describes HTS as:

... a local waste company that hauls residential and commercial waste streams for customers in the McDonald County area.

HTS is stated to be based in Pineville, Missouri. It's operating footprint is stated to include the southern Missouri areas of:

- McDonald County
- Pineville
- Goodman
- Anderson
- Lanagan

CARDS founder and President Dan Christensen is quoted as stating:

The waste disposal services provided by HTS, LLC integrates perfectly within our current operating footprint and we are proud to bring the HTS, LLC customers and employees into the CARDS family.

CARDS describes itself and its affiliates as operating hauling companies, transfer stations, recycling centers, recovery facilities and landfills throughout the Midwest.
