Overview and Discussion of Updated Phase I Environmental Site Assessment Standard: Mitchell Williams Environmental Insights Webinar - April 21st

04/12/2022

Mitchell Williams Law Firm will be presenting an Environmental Insights Webinar titled:

ASTM E1527-21 and AAI

Overview and Discussion of Updated Phase I Environmental Site Assessment Standard ("Webinar")

The Webinar will be held on Thursday, April 21st, from 12:00 p.m. to 1:00 p.m. (CST).

The Webinar will address:

- Background for All Appropriate Inquiry ("AAI")
- The role of AAI in real estate and lending transactions
- Material changes in the updated ASTM standard
- Implications for property owners and perspective purchasers

Panelists will include myself and Leslie Davis who is Chief Executive Officer of Harbor Environmental and Safety.
