Current/Long-Term U.S. Environmental Protection Agency Clean Water Act Related Rulemakings: Association of Clean Water Administrators' Chart

07/18/2024

The Association of Clean Water Administrators ("ACWA") published in its current newsletter a link to described as follows:

ACWA rules chart updated to reflect current and long term relevant EPA clean water related actions.

See Volume XV/Issue 22 (July 8).

The ACWA was founded in 1961 and describes itself as a:

...national, non-partisan professional organization whose members are the State, Interstate, and Territorial officials responsible for the implementation of surface water protection programs throughout the nation.

The ACWA chart provides the following information regarding the rulemakings:

- Title.
- Description.
- Key dates.
- ACWA contact.

The rulemakings are broken down by EPA offices which include:

- Office of Wastewater Management.
- Office of Wetlands, Oceans, and Watersheds.
- Office of Science and Technology.
- Office of Groundwater and Drinking Water.
- Office of Enforcement and Compliance Assurance.
- Office of Water.
- Office of Land and Emergency Management.
- Office of Chemical Safety and Pollution Prevention.

The chart also contains a category styled:

Select non-rulemaking efforts and other developments.

A link to the ACWA chart can be found [here](#).
