The Beaver Watershed Alliance (“BWA”) announced in its August 7th newsletter that Ms. Brynнен Beck has been named as a Watershed Specialist at the organization.

BWA describes its mission as to:

...proactively protect, maintain, and enhance the water quality of Beaver Lake and the integrity of its Watershed.

Ms. Beck is stated to hold a degree in Environmental, Soil, & Water Science. Her degrees also include minors in Geology and Sustainability from the University of Arkansas. She is a native of the Northwest Arkansas area and has worked and conducted research on various water quality topics.
