The Association of Clean Water Administrators (“ACWA”) will be holding its 2026 Water Quality Standards Workshop (“Workshop”) in Little Rock, Arkansas.

The Workshop will take place April 21-23.

ACWA describes the Workshop as a:

...a national meeting organized by ACWA for state staff involved in state water quality standards programs, as well as for both Regional and Headquarters-based U.S. Environmental Protection Agency managers and staff.

The Workshop will be held at the DoubleTree by Hilton Little Rock. Registration for the Workshop is now open.

ACWA describes itself as the:

...the national voice of State and Interstate water programs, the Association Clean Water Administrators strives to protect and restore watersheds to achieve clean water everywhere for everyone.

A link to the registration for the Workshop can be found [here](#).
