Water Quality Groups Meeting: H2Ozarks Announces Dave Woods (Ozark Underground Lab) as January 13th Speaker

12/22/2025

The H2Ozarks publication *Basin Bulletin* has announced an upcoming event.

The *Basin Bulletin* states the Water Quality Groups January 13th meeting will have Dave Woods (Ozark Underground Laboratory, Inc.) as its speaker.

The Ozark Underground Lab describes itself as a private consulting and contract studies firm which provides groundwater tracing and other hydrogeological services nationwide as well as internationally. The organization states that it has conducted numerous investigations and projects for various federal agencies, state, municipal, corporate, and private clients.

Dave Woods' current positions are stated to include:

- Senior Project Scientist - Ozark Underground Laboratory, Inc.
- Executive Director – Tumbling Creek Cave Foundation.

Mr. Woods' educational background includes:

- B.S. in Wildlife Biology – Missouri State University.
- M.S. Science (Biology) – Missouri State University.

The *Basin Bulletin* indicates that anyone wishing to be involved in the meeting should email contact@h2ozarks.org.
