The Arkansas Department of Energy and Environment announced the agenda for the Arkansas Pollution Control and Ecology Commission ("Commission") meeting on May 21st.

The Commission is the environmental policy-making body for Arkansas.

The Commission, with certain exceptions, meets on a monthly basis. It issued a notice stating:

The Arkansas Pollution Control and Ecology Commission will meet Thursday, May 21, 2026, at 10 a.m. in the commission room at the Arkansas Department of Energy and Environment headquarters, located at 5301 Northshore Drive, North Little Rock, Ark.

The Commission meeting agenda includes a report from the Division of Environmental Quality's Chief Administrator of Environment, Bailey Taylor, and a request to vote on a recommended decision issued in Docket No. 26-001-P, In the Matter of General Permit ARR150000.

The agenda, including links to various documents associated with the agenda items, can be found here.
