06/08/2026

The Arkansas Department of Agriculture announced the next Water Well Construction Committee ("Committee") will meet on Thursday, June 18, 2026, at 2:00 p.m.

The Committee will meet at the Arkansas Department of Agriculture's Natural Resources Division Office in Little Rock, Arkansas.

The Arkansas Water Well Construction Act was created by the Arkansas General Assembly of 1969 to protect the general health, safety, and welfare of Arkansans by regulating water well construction and pump installations. The statute and rules promulgated by the Arkansas Water Well Commission (now the Arkansas Natural Resources Commission) are stated to provide a framework for the proper development of underground water in an efficient, orderly, sanitary, reasonable, and safe manner.

Agenda items for the June 18th Meeting include:

- Activity reports
- Agency report
- Inspector report
- Applicant report
- Active cases
- Corbin Cannon/Legal
- Other business

A copy of the agenda can be downloaded here.
