Arkansas Environmental Personnel Moves: Arkansas Department of Environmental Quality Managing Attorney Lorielle Gutting Accepts Federal Government Environmental Attorney Advisor Position (Clarification)

Arkansas Environmental, Energy, and Water Law Blog

05/17/2016

A post yesterday noted that Lorielle Gutting had resigned from the Arkansas Department of Environmental Quality and accepted an Environmental Attorney Advisor position with the federal governmental agency in San Antonio, TX <http://www.mitchellwilliamslaw.com/arkansas-environmental-personnel-moves-arkansas-department-of-environmental-quality-managing-attorney-lorielle-gutting-accepts-federal-government-environmental-attorney-adviser-position>

A subsequent sentence noted that she had served at the agency since "October 10th."

Due to an oversight on my part, the sentence should specify that she had served in a variety of legal positions at the agency since October 2010.

I thought it was important to correct the omission of the date.
