Case Study/Observations, Thoughts and Suggestions from a Seasoned Inspector: Brent Walker (Arkansas Department of Environmental Quality) Arkansas Water Works & Water Environment Association Conference Presentation (Clarification)

Arkansas Environmental, Energy, and Water Law Blog

05/23/2016

Please note that the Arkansas Department of Environmental Quality presenter undertaking the above referenced presentation name was misspelled in Friday's post. The presenter was Brent Walker as opposed to Walter.

My apologies to Mr. Walker for the misspelling of his name.
