## Arkansas Department of Environmental Quality Office of Air Quality Newsletter Inaugural Issue: Summer 2017

08/29/2017

The Arkansas Department of Environmental Quality ("ADEQ") Office of Air Quality ("Office") has published the inaugural edition of its quarterly newsletter ("Newsletter").

The Office's Permits Branch had previously published a periodic letter which has been discontinued.

The substantive topics addressed in this edition of the newsletter included:

- ADEQ Seeking Public Comment on Regional Haze State Implementation Plan Updates
- Air quality Index Available on Facebook and Twitter
- Volkswagen Mitigation Plan Development
- Regulatory Streamlining Project (Reconciling differences between Arkansas Pollution Control and Ecology Commission Regulation Nos. 18, 19, 26, and 31)
- Submitting Permit Requests Online
- New Permit Application Forms
- Office Permit Branch Solicitation of Comments on New Air quality Screening Protocol
- Open Burning (Including recent Arkansas legislation)
- Asbestos and Enforcement
- Program Changes
- ADEQ Website/Literature
- Asbestos Abatement Grant Program
- Asbestos Notice of Intent & Application Forms
- Nuisance Abatement Notices
- Emergency Renovations
- Enforcement Updates
- Expedited Enforcement Settlement Policy
- Enforcement Letters
