The Arkansas Advanced Energy Association ("AAEA") will have a Spring Social tomorrow on May 16th.

The Spring Social will be held at the Powers of Arkansas facility located at 5440 Northshore Drive in North Little Rock, Arkansas.

The event is described as an opportunity to "network and socialize with advanced energy leaders and guests, while promoting your business or organization."

Complimentary food and beverages are being provided.

AAEA describes itself as the "business voice for advanced energy in Arkansas."

The association advocates the expansion of Arkansas's economy through increased utilization of advanced energy technologies such as:

- Energy efficiency
- Demand response
- Natural gas electric generation
- Solar
- Wind
- Hydropower
- Nuclear
- Electric vehicles
- Alternative fuels
- Smart grid
