1. On or before the effective date of this CAO, Respondent shall submit an administratively complete permit renewal application.
2. Respondent shall comply with the existing Permit until either the effective date of the permit renewal or the effective date of the permit termination.
3. In compromise and full settlement of the violations specified in the Findings of Fact, Respondent agrees to pay a civil penalty of One Thousand Dollars (\$1,000.00), or one-half of the penalty, Five Hundred Dollars (\$500.00), if this CAO is signed and returned to DEQ,

5301 Northshore Drive, North Little Rock, Arkansas 72118-5317, within twenty (20) calendar days of receipt of this CAO. Ten percent (10%) of the total penalty shall be paid as reimbursement to DEQ for administrative costs associated with this CAO. In the event that Respondent fails to pay the civil penalty within the prescribed time, DEQ shall be entitled to attorneys' fees and costs associated with collection.

4. All requirements of this CAO are subject to approval by DEQ. In the event of any deficiency, Respondent shall, within the timeframe specified by DEQ, submit any additional information or changes requested, or take additional actions specified by DEQ to correct any such deficiencies. Failure to respond adequately to the notice of deficiency within the timeframe specified by DEQ constitutes a failure to meet the requirements established by this CAO and is subject to the civil penalties established in the following paragraph.
5. Failure to meet any term(s) of this CAO or the applicable approved schedules provided for herein constitutes a violation of this CAO. If Respondent fails to meet any term(s) of this CAO, Respondent shall pay, on demand, to DEQ civil penalties according to the following schedule:

|--|-----------------|
| (a) First day through the fourteenth day: | \$100 per day |
| (b) Fifteenth day through the thirtieth day: | \$500 per day |
| (c) More than thirty days: | \$1,000 per day |

Stipulated penalties shall be paid within thirty (30) calendar days of receipt of DEQ's demand to Respondent for such penalties. These stipulated penalties may be imposed for delay in scheduled performance and shall be in addition to any other remedies or sanctions that may be available to DEQ by reason of Respondent's failure to comply with the requirements of this CAO. DEQ reserves its rights to collect other penalties and fines

pursuant to its enforcement authority in lieu of the stipulated penalties set forth above.

6. If any event, including, but not limited to, an occurrence of nature, causes or may cause a delay in the achievement of compliance by Respondent with the requirements or deadlines of this CAO, Respondent shall notify DEQ in writing as soon as reasonably possible after it is apparent that a delay will result, but in no case after the due dates have passed. The notification shall describe in detail the anticipated length of the delay, the precise cause of the delay, the measures being taken and to be taken to minimize the delay, and the timetable by which those measures will be implemented.
7. DEQ may grant an extension of any provision of this CAO, provided that Respondent requests such an extension in writing and provided that the delay or anticipated delay has or will be caused by circumstances beyond the control of and without the fault of Respondent. The time for performance may be extended for a reasonable period, but in no event longer than the period of delay resulting from such circumstances. The burden of proving that any delay is caused by circumstances beyond the control of and without the fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Failure to notify DEQ promptly, as provided in the previous paragraph of the Order and Agreement, shall be grounds for a denial of an extension.
8. This CAO is subject to public review and comment in accordance with Ark. Code Ann. § 8-4-103(d) and 8 CAR § 11-101, and shall not be effective until thirty (30) calendar days after public notice is given. DEQ retains the right and discretion to rescind this CAO based on comments received within the thirty (30) day public comment period. Notwithstanding the public notice requirements, the corrective actions necessary to achieve compliance shall be taken immediately.

9. As provided by 8 CAR pt. 11, this matter is subject to being reopened upon Pollution Control and Ecology Commission (Commission) initiative or in the event a petition to set aside this CAO is granted by the Commission.
10. Nothing contained in this CAO shall relieve Respondent of any obligations imposed by any other applicable local, state, or federal laws. Except as specifically provided herein, nothing contained in this CAO shall be deemed in any way to relieve Respondent of responsibilities contained in the permit.
11. Nothing in this CAO shall be construed as a waiver by DEQ of its enforcement authority over alleged violations not specifically addressed herein. In addition, this CAO neither exonerates Respondent from any past, present, or future conduct that is not expressly addressed herein, nor relieves Respondent of the responsibilities for obtaining any necessary permits.
12. The individual signing this CAO represents that he or she is an Officer of Respondent, being duly authorized to execute and bind Respondent to the terms contained herein. Execution of this CAO by an individual other than an Officer of Respondent shall be accompanied by a resolution granting signature authority to that individual as duly ratified by the governing body of the entity.

It is so ordered.
