

**ARKANSAS DEPARTMENT OF ENERGY AND ENVIRONMENT,
DIVISION OF ENVIRONMENTAL QUALITY**

IN THE MATTER OF:

AFIN: 22-00057

Case #: CAO-25-0068

Drew Foam Companies Inc.
1093 HWY 278 E
MONTICELLO, AR 71655

Consent Administrative Order

This Consent Administrative Order (CAO) is issued pursuant to the authority delegated under the federal Clean Air Act, 42 U.S.C. § 7401 et seq., and the federal regulations issued thereunder. In addition, this CAO is issued pursuant to the authority of the Arkansas Water and Air Pollution Control Act (the Act), Ark. Code Ann. § 8-4-101 et seq., 8 Code of Arkansas Rules (CAR) pt. 10, 8 CAR pt. 11, 8 CAR pt. 40, 8 CAR pt. 41, and 8 CAR pt. 42.

The issues herein having been settled by agreement of Drew Foam Companies Inc. (Respondent) and the Director of the Arkansas Department of Energy and Environment, Division of Environmental Quality (DEQ), it is hereby agreed and stipulated that the following Findings of Fact and Order and Agreement be entered.

Findings of Fact

1. Respondent operates a polystyrene foam product manufacturing facility located at 1093 HWY 278 E, MONTICELLO, Drew County, Arkansas (Site).
2. DEQ issued Air Title V Permit 2132-AOP-R8 (Permit) to Respondent on November 21, 2022.

3. Arkansas Code Annotated § 8-4-217(a)(3) provides:
 - (a) It shall be unlawful for any person to:

...
 - (3) Violate any provisions of this chapter or of any rule or order adopted by the Arkansas Pollution Control and Ecology Commission under this chapter or of a permit issued under this chapter by the Division of Environmental Quality.
4. Pursuant to Ark. Code Ann. § 8-4-103(c)(1)(A)-(B):
 - (A) Any person that violates any provision of this chapter and rules, permits, or plans issued pursuant to this chapter may be assessed an administrative civil penalty not to exceed ten thousand dollars (\$10,000) per violation.
 - (B) Each day of a continuing violation may be deemed a separate violation for purposes of penalty assessment.
5. Respondent's operation of the Briggs and Stratton generator (SN-15) at the Site is regulated by 40 C.F.R. Part 63, Subpart ZZZZ—National Emissions Standards for Hazardous Air Pollutants (NESHAP) for Stationary Reciprocating Internal Combustion Engines (Subpart ZZZZ).
6. On April 16, 2025, DEQ performed a full air compliance evaluation at the Site covering the reporting period of April 1, 2023, through March 31, 2025.
7. On May 15, 2025, DEQ notified Respondent of the evaluation results. This was intended to provide Respondent with the opportunity to review the noncompliance item identified during the evaluation and submit any additional information Respondent deemed appropriate regarding the issues. A written response addressing the noncompliance item

was due to DEQ by June 15, 2025.

8. On July 3, 2025, DEQ received Respondent's written response regarding the actions taken to correct the noncompliance item. Respondent stated a non-resettable hour meter on the Briggs and Stratton Generator (SN-15) had been installed.
9. On July 3, 2025, DEQ notified Respondent via a Notice of Noncompliance stating that formal enforcement was proceeding regarding the below violation.
10. On July 29, 2025, Respondent submitted pictures to DEQ of the new non-resettable hour meter installed on SN-15.
11. List of Violations:

(a) Failure to comply with a delegated NESHAP requirement. (8 CAR § 41-204 and 40 C.F.R. Part 63)

40 C.F.R. §§ 63.6640 and 63.6655 establish maximum hours of operation for the emergency generator SN-15 and require that Respondent keep records of the hours of operation of SN-15 through the use of a non-resettable hour meter.

Specific Condition 14 of the Permit states that Respondent shall only operate SN-15 in the event of an emergency and requires that compliance with the condition be demonstrated by installing a non-resettable hour meter and recording the hours of operation.

During the inspection it was discovered that Respondent failed to install a non-resettable hour meter on SN-15. DEQ personnel observed that the hour meter that Respondent had installed was reset in June of 2024 due to battery replacement. Failing to install a non-resettable hour meter on SN-15 is a violation of Specific Condition 14 of Permit 2132-AOP-R8 and a violation of 40 C.F.R. § 63.6655.

Order and Agreement

WHEREFORE, the parties stipulate and agree as follows:

1. In compromise and full settlement of the violation specified in the FINDINGS OF FACT, Respondent agrees to pay a civil penalty of FOUR THOUSAND EIGHT HUNDRED DOLLARS (\$4,800.00), of which ten percent (10%) shall be paid as reimbursement to DEQ for administrative costs associated with this CAO. Payment is due within thirty (30) calendar days after the effective date of this CAO. Payment can be made online using the Financials tab of your site in SEEK or mailed in by check. Paper check payments require the Compliance Action Number be referenced in the memo line of the check and be made payable to: DEQ, Fiscal Division, 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317. In the event that Respondent fails to pay the civil penalty within the prescribed time, DEQ shall be entitled to attorneys' fees and costs associated with collection.
2. All requirements of this CAO are subject to approval by DEQ. In the event of any deficiency, Respondent shall, within the timeframe specified by DEQ, submit any additional information or changes requested, or take additional actions specified by DEQ to correct any such deficiencies. Failure to respond adequately to the notice of deficiency within the timeframe specified by DEQ constitutes a failure to meet the requirements established by this CAO and is subject to the civil penalties established in the following Paragraph.
3. Failure to meet any term(s) of this CAO or the applicable approved schedules provided for herein constitutes a violation of this CAO. If Respondent fails to meet any term(s) of this CAO, Respondent shall pay, on demand, to DEQ civil penalties according to the following

schedule:

- | | |
|--|-----------------|
| (a) First day through the fourteenth day: | \$100 per day |
| (b) Fifteenth day through the thirtieth day: | \$500 per day |
| (c) More than thirty days: | \$1,000 per day |

Stipulated penalties shall be paid within thirty (30) calendar days of receipt of DEQ's demand to Respondent for such penalties. These stipulated penalties may be imposed for delay in scheduled performance and shall be in addition to any other remedies or sanctions that may be available to DEQ by reason of Respondent's failure to comply with the requirements of this CAO. DEQ reserves its rights to collect other penalties and fines pursuant to its enforcement authority in lieu of the stipulated penalties set forth above.

4. If any event, including, but not limited to, an occurrence of nature, causes or may cause a delay in the achievement of compliance by Respondent with the requirements or deadlines of this CAO, Respondent shall notify DEQ in writing as soon as reasonably possible after it is apparent that a delay will result, but in no case after the due dates have passed. The notification shall describe in detail the anticipated length of the delay, the precise cause of the delay, the measures being taken and to be taken to minimize the delay, and the timetable by which those measures will be implemented.
5. DEQ may grant an extension of any provision of this CAO, provided that Respondent requests such an extension in writing and provided that the delay or anticipated delay has or will be caused by circumstances beyond the control of and without the fault of Respondent. The time for performance may be extended for a reasonable period, but in no event longer than the period of delay resulting from such circumstances. The burden of proving that any delay is caused by circumstances beyond the control of and without the fault of Respondent and the length of the delay attributable to such circumstances shall rest

with Respondent. Failure to notify DEQ promptly, as provided in the previous paragraph of the Order and Agreement, shall be grounds for a denial of an extension.

6. This CAO is subject to public review and comment in accordance with Ark. Code Ann. § 8-4-103(d) and therefore is not effective until thirty (30) calendar days after public notice of the CAO is given. DEQ retains the right and discretion to rescind this CAO based on comments received within the thirty (30) day public comment period. Notwithstanding the public notice requirements, the corrective actions necessary to achieve compliance shall be taken immediately.
7. As provided by 8 CAR pt. 11, this matter is subject to being reopened upon Pollution Control and Ecology Commission (Commission) initiative or in the event a petition to set aside this CAO is granted by the Commission.
8. Nothing contained in this CAO shall relieve Respondent of any obligations imposed by any other applicable local, state, or federal laws. Except as specifically provided herein, nothing contained in this CAO shall be deemed in any way to relieve Respondent of responsibilities contained in the permit.
9. Nothing in this CAO shall be construed as a waiver by DEQ of its enforcement authority over alleged violations not specifically addressed herein. In addition, this CAO neither exonerates Respondent from any past, present, or future conduct that is not expressly addressed herein, nor relieves Respondent of the responsibilities for obtaining any necessary permits.
10. The individual signing this CAO represents that he or she is an Officer of Respondent, being duly authorized to execute and bind Respondent to the terms contained herein. Execution of this CAO by an individual other than an Officer of Respondent shall be

accompanied by a resolution granting signature authority to that individual as duly ratified by the governing body of the entity.

It is so ordered.
