34 (b) The Arkansas Geological Survey's statutory powers, duties, and
35 functions, including the functions of budgeting or purchasing, records,
36 contracts, personnel, property, and unexpended balances of appropriations,

1 allocations, and other funds are transferred to the Office of the State
2 Geologist within the Oil and Gas Commission.

3 (c)(1) The abolishment of the Arkansas Geological Survey does not
4 affect the orders, rules, directives, registration, licensing, or standards
5 made or promulgated by the Arkansas Geological Survey before the effective
6 date of this act.

7 (2) The orders, rules, directives, registration, licensing, or
8 standards of the Arkansas Geological Survey shall continue to be in effect
9 until they are amended or repealed under authority given by this law.

10
11 SECTION 2. Arkansas Code § 8-4-104(b)(2)(G), concerning membership of
12 the Arkansas Pollution Control and Ecology Commission, is amended to read as
13 follows:

14 (G) The State Geologist, or his or her designee, on behalf
15 of the ~~Arkansas Geological Survey~~ Office of the State Geologist.

16
17 SECTION 3. Arkansas Code § 14-229-101(b)(11), concerning membership of
18 the Individual Sewage Disposal Systems Advisory Committee, is amended to read
19 as follows:

20 (11) The State Geologist with the ~~Arkansas Geological Survey~~
21 Office of the State Geologist or a designee.

22
23 SECTION 4. Arkansas Code § 15-10-304(b)(7), concerning ongoing studies
24 and recommendations related to the presence of special nuclear material and
25 by-product material and from the operation of production facilities or
26 utilization facilities related to natural resources of the state, is amended
27 to read as follows:

28 (7) The ~~Arkansas Geological Survey~~ Office of the State
29 Geologist, particularly as to the hazards, if any, to the natural resources
30 of the state, including wildlife, and as to the protection, if necessary, of
31 rivers, streams, and airspace from pollution; and

32
33 SECTION 5. Arkansas Code § 15-21-602(b)(6), concerning duties of the
34 Arkansas Seismological Observatory, is amended to read as follows:

35 (6) Provide real-time, immediate data regarding seismic activity
36 to government agencies such as the ~~Arkansas Department~~ Division of Emergency

1 Management, the ~~Arkansas Geological Survey~~ Office of the State Geologist, and
2 critical facilities that operate in the region such as Arkansas Nuclear One,
3 the National Center for Toxicological Research, and the Army Nerve Gas
4 Facility; and

5
6 SECTION 6. Arkansas Code Title 15, Chapter 55, Subchapter 2 is amended
7 to read as follows:

8 Subchapter 2 – ~~Arkansas Geological Survey~~ Office of the State Geologist

33
 34 SECTION 23. EMERGENCY CLAUSE. It is found and determined by the
 35 General Assembly of the State of Arkansas that the state has a critical
 36 interest in ensuring the efficient provision of services by state agencies;

1 that state agencies operate on a fiscal year calendar; and that the
2 effectiveness of this act on July 1, 2023, is essential to the efficient
3 operation of the state agencies subject to this act; and that, in the event
4 of an extension of the legislative session, the delay in effective date of
5 this act beyond July 1, 2023, could cause irreparable harm upon the proper
6 administration and provision of essential governmental programs. Therefore,
7 an emergency is declared to exist, and this act being necessary for the
8 preservation of the public peace, health, and safety shall become effective
9 on July 1, 2023.
