## ARKANSAS DEPARTMENT OF ENVIRONMENTAL QUALITY

**FOR IMMEDIATE RELEASE:**

December 5, 2018

### **CAP Meeting Scheduled**

**NORTH LITTLE ROCK**—The Arkansas State Marketing Board for Recyclables and Compliance Advisory Panel (CAP) will conduct its quarterly meeting on Wednesday, December 12, 2018, in Little Rock, Arkansas. The meeting will begin at 10:00 a.m. at the Arkansas Department of Environmental Quality (ADEQ) Headquarters at 5301 Northshore Drive in North Little Rock. Following the meeting there will be a site visit at Davis Rubber Company at 1800 East 14th Street in Little Rock.

At the meeting, panel members will discuss small business air permitting assistance needs, discuss legislative changes that affect small businesses, and conduct an annual budget review. ADEQ's Tire Accountability Program will present a program overview during the meeting.
