This Consent Administrative Order (CAO) is issued pursuant to the authority delegated under the Arkansas Water and Air Pollution Control Act, Ark. Code Ann. § 8-4-101 *et seq.*, the Federal Water Pollution Control Act, 33 U.S.C. § 1311 *et seq.*, and the rules issued thereunder by the Pollution Control and Ecology Commission (PC&EC) and codified under Title 8 of the Code of Arkansas Rules (CAR).

The issues herein having been settled by agreement of Ray White Lumber Company (Respondent) and the Director of the Arkansas Department of Energy and Environment, Division of Environmental Quality (DEQ), it is hereby agreed and stipulated that the following FINDINGS OF FACT and ORDER AND AGREEMENT be entered.

FINDINGS OF FACT

1. Respondent operates a lumber facility located at 318 North Commerce Avenue, Sparkman, Dallas County, Arkansas (Site).
2. DEQ issued National Pollutant Discharge Elimination System (NPDES) Permit AR0047139 (Permit) to Respondent on April 28, 2020, with an effective date of May 1, 2020, and expiration date of April 30, 2025.
3. Respondent discharges treated wet deck wastewater, boiler blowdown, and stormwater

runoff to an unnamed tributary of Cypress Creek, thence to Cypress Creek, thence to the Ouachita River in Segment 2F of the Ouachita River Basin.

4. Respondent is regulated pursuant to the NPDES program.
5. Pursuant to the Federal Clean Water Act, 33 U.S.C. § 1311(a), the NPDES program prohibits the discharge of pollutants except as in compliance with a permit issued under the NPDES program in accordance with 33 U.S.C. § 1342.
6. DEQ is authorized under the Arkansas Water and Air Pollution Control Act (“Act”) to issue NPDES permits in the state of Arkansas and to initiate an enforcement action for any violation of a NPDES permit.
7. Ark. Code Ann. § 8-4-217(a)(3) provides:
(a) It shall be unlawful for any person to:
...
(3) Violate any provisions of this chapter or of any rule or order adopted by the Arkansas Pollution Control and Ecology Commission under this chapter or of a permit issued under this chapter by the Division of Environmental Quality.
8. Ark. Code Ann. § 8-4-103(c)(1)(A) provides, “Any person that violates any provision of this chapter and rules, permits, or plans issued pursuant to this chapter may be assessed an administrative civil penalty not to exceed ten thousand dollars (\$10,000) per violation.”
9. Pursuant to Ark. Code Ann. § 8-4-103(c)(1)(B), “Each day of a continuing violation may be deemed a separate violation for purposes of penalty assessment.”
10. List of Violations:
(a) Failure to report monitoring results on a Discharge Monitoring Report no later than the 25th day of the month following the end of the monitoring period. (NPDES Parts III.C.5

and III.D.4) DEQ performed a review of the Discharge Monitoring Reports (DMRs) from July 1, 2022, through June 30, 2025; Respondent reported DMRs past the due date for twelve (12) monitoring periods.

- (b) Failure to submit an administratively complete permit renewal application at least 180 days before the expiration date of the permit. (NPDES Part III.D.10) DEQ notified Respondent on April 26, 2024, and on July 31, 2024, that the permit would expire on April 30, 2025, and a complete permit renewal application was due by November 1, 2024. To date, Respondent has not submitted a permit renewal application.

ORDER AND AGREEMENT

WHEREFORE, the parties stipulate and agree as follows:

1. On or before the effective date of this CAO, Respondent shall submit an administratively complete permit renewal application.
2. Respondent shall submit DMRs in accordance with Parts III.C.5 and III.D.4 of the Permit.
3. Respondent shall comply with the existing permit until the renewal permit is issued.
4. In compromise and full settlement of the violations specified in the FINDINGS OF FACT, Respondent agrees to pay a civil penalty of Three Thousand Seven Hundred Dollars (\$3700.00), of which ten percent (10%) shall be paid as reimbursement to DEQ for administrative costs associated with this CAO. Payment is due within thirty (30) calendar days after the effective date of this CAO. Payment can be made online using the Financials tab of your site in SEEK or mailed in by check. Paper check payments require the Compliance Action Number be referenced in the memo line of the check and be made payable to: DEQ, Fiscal Division, 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317. In the event that Respondent fails to pay the civil penalty within the prescribed

time, DEQ shall be entitled to attorneys' fees and costs associated with collection.

5. All requirements of this CAO are subject to approval by DEQ. In the event of any deficiency, Respondent shall, within the timeframe specified by DEQ, submit any additional information or changes requested, or take additional actions specified by DEQ to correct any such deficiencies. Failure to respond adequately to the notice of deficiency within the timeframe specified by DEQ constitutes a failure to meet the requirements established by this CAO and is subject to the civil penalties established in the following paragraph.
6. Failure to meet any term(s) of this CAO or the applicable approved schedules provided for herein constitutes a violation of this CAO. If Respondent fails to meet any term(s) of this CAO, Respondent shall pay, on demand, to DEQ civil penalties according to the following schedule:

(a) First day through the fourteenth day:	\$100 per day
(b) Fifteenth day through the thirtieth day:	\$500 per day
(c) More than thirty days:	\$1,000 per day

Stipulated penalties shall be paid within thirty (30) calendar days of receipt of DEQ's demand to Respondent for such penalties. These stipulated penalties may be imposed for delay in scheduled performance and shall be in addition to any other remedies or sanctions that may be available to DEQ by reason of Respondent's failure to comply with the requirements of this CAO. DEQ reserves its rights to collect other penalties and fines pursuant to its enforcement authority in lieu of the stipulated penalties set forth above.

7. If any event, including, but not limited to, an occurrence of nature, causes or may cause a delay in the achievement of compliance by Respondent with the requirements or deadlines of this CAO, Respondent shall notify DEQ in writing as soon as reasonably possible after

it is apparent that a delay will result, but in no case after the due dates have passed. The notification shall describe in detail the anticipated length of the delay, the precise cause of the delay, the measures being taken and to be taken to minimize the delay, and the timetable by which those measures will be implemented.

8. DEQ may grant an extension of any provision of this CAO, provided that Respondent requests such an extension in writing and provided that the delay or anticipated delay has or will be caused by circumstances beyond the control of and without the fault of Respondent. The time for performance may be extended for a reasonable period, but in no event longer than the period of delay resulting from such circumstances. The burden of proving that any delay is caused by circumstances beyond the control of and without the fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Failure to notify DEQ promptly, as provided in the previous paragraph of the ORDER AND AGREEMENT, shall be grounds for a denial of an extension.
9. This CAO is subject to public review and comment in accordance with Ark. Code Ann. § 8-4-103(d) and therefore is not effective until thirty (30) calendar days after public notice of the CAO is given. DEQ retains the right and discretion to rescind this CAO based on comments received within the thirty (30) day public comment period. Notwithstanding the public notice requirements, the corrective actions necessary to achieve compliance shall be taken immediately.
10. As provided by 8 CAR pt. 11, this matter is subject to being reopened upon Pollution Control and Ecology Commission (Commission) initiative or in the event a petition to set aside this CAO is granted by the Commission.
11. Nothing contained in this CAO shall relieve Respondent of any obligations imposed by

any other applicable local, state, or federal laws. Except as specifically provided herein, nothing contained in this CAO shall be deemed in any way to relieve Respondent of responsibilities contained in the permit.

12. Nothing in this CAO shall be construed as a waiver by DEQ of its enforcement authority over alleged violations not specifically addressed herein. In addition, this CAO neither exonerates Respondent from any past, present, or future conduct that is not expressly addressed herein, nor relieves Respondent of the responsibilities for obtaining any necessary permits.
13. The individual signing this CAO represents that he or she is an Officer of Respondent, being duly authorized to execute and bind Respondent to the terms contained herein. Execution of this CAO by an individual other than an Officer of Respondent shall be accompanied by a resolution granting signature authority to that individual as duly ratified by the governing body of the entity.

It is so ordered.
