## I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the U.S. Environmental Protection Agency (“EPA”), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. § 9607, seeking reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at the Lammers Barrel Superfund Site in Beaver Creek, Greene County, Ohio (the “Site”).

B. The United States has filed another action relating to the Site, which asserts claims against certain parties under the Federal Debt Collection Procedures Act, captioned *United States v. Dayton Industrial Drum, Inc., et al.*, No. 3:18-cv-271 (S.D. Ohio) (the “FDCPA Case”).

C. Pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA placed the Site on the National Priorities List, set forth at 40 C.F.R. Part 300, Appendix B, by a publication in the Federal Register on September 29, 2003, 68 Fed Reg. 55,875.

D. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake additional response actions in the future.

E. In performing response action at the Site, EPA has incurred response costs and will incur additional response costs in the future.

F. The Site consists of approximately 2.5 acres of property at the northeast corner of the intersection of Grange Hall Road and East Patterson Road in Beaver Creek, Ohio, as well as a contaminated groundwater plume that extends east of the Site property. EPA has divided the Site into two Operable Units. Operable Unit 1 addresses hazardous substance contamination on the Site property. Operable Unit 2 addresses the contaminated groundwater plume east of the Site property.

G. In accordance with prior administrative and judicial settlements with EPA, certain potentially responsible parties (“PRPs”) have: (i) completed a remedial investigation and feasibility study for Operable Unit 1; (ii) committed to perform the cleanup remedy set forth in a Record of Decision for Operable Unit 1 that EPA issued in September 2011; and (iii) agreed to complete a remedial investigation and feasibility study for Operable Unit 2, which is ongoing. A number of the PRPs that entered into those settlements formed a group called the Lammers Barrel PRP Group.

H. The Lammers Barrel PRP Group has filed a related civil action against the defendants in this case and certain additional defendants, captioned *Lammers Barrel PRP Group v. Carboline Company, et al.*, No. 3:17-cv-135-WHR (S.D. Ohio) (the “Private Party Case”).

I. Dayton Industrial Drum, Inc. is a defendant in this case and in the related Private Party Case, and is referred to herein as the “Settling Defendant.”

J. The United States contends that the Settling Defendant is a responsible party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and is jointly and severally liable for response costs incurred and to be incurred at the Site.

K. The Settling Defendant does not admit any liability to the United States or to the Lammers Barrel PRP Group arising out of the transactions or occurrences alleged in the complaints in this case, the FDCPA Case, and the Private Party Case.

L. The United States and the Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter without further litigation and without the admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Settling Defendant. Solely for the purposes of this Consent Decree and the underlying complaints, Settling Defendant waives all objections and defenses that it may have to jurisdiction of the Court or to venue in this District. Settling Defendant shall not challenge entry or the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

## III. PARTIES BOUND

2. This Consent Decree is binding upon the United States and upon Settling Defendant and its successors, and assigns. Any change in ownership or corporate or other legal status, including, but not limited to, any transfer of assets or real or personal property, shall in no way alter the status or responsibilities of Settling Defendant under this Consent Decree.

## VI. PAYMENT OF RESPONSE COSTS

5. **Payment for Response Costs.** Within 15 days after Settling Defendant receives notice from the United States that this Consent Decree has been lodged, Settling Defendant shall deposit \$825,000 into an interest-bearing escrow account in a duly chartered bank or trust company that is insured by the Federal Deposit Insurance Corporation (the "Escrow Account"). If the Consent Decree is not entered by the Court, and the time for any appeal of that decision has run, or if the Court's denial of entry is upheld on appeal, the monies placed in escrow, together with accrued interest thereon, shall be returned to Settling Defendant. If the Consent Decree is entered by the Court, Settling Defendant shall, within 15 days after the Effective Date, cause the monies in the Escrow Account, together with accrued interest thereon, to be paid to EPA in accordance with Paragraphs 6 and 8.

The Settling Defendant may change the individual to receive payment instructions on its behalf by providing written notice of such change to DOJ and EPA in accordance with Section XIII (Notices and Submissions).

7. **Deposit of Payment.** \$63,000 of the total amount to be paid by Settling Defendant pursuant to Paragraph 5 shall be deposited by EPA in the Lammers Barrel OU2 Special Account to be retained and used to conduct or finance future response actions at or in connection with Operable Unit 2 of the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund. \$762,000 of the total amount to be paid by Settling Defendant pursuant to Paragraph 5 shall be deposited by EPA in the Lammers Barrel Site Special Account to be retained and used to conduct or finance future response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

## **VII. FAILURE TO COMPLY WITH CONSENT DECREE**

9. **Interest on Late Payments.** If any amount due under Paragraph 5 (Payment for Response Costs) is not paid by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

10. **Stipulated Penalties.**

a. If any portion of the amount due under Paragraph 5 (Payments for Response Costs) is not paid by the required due date, Settling Defendant shall be in violation of this Consent Decree and shall pay EPA the following amount, as a stipulated penalty, in addition to the Interest required by Paragraph 9 (Interest on Late Payments): a daily penalty equal to five percent of the Settling Defendant's total overdue amount, assessed per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be made by Fedwire EFT to:

c. At the time of payment, the Settling Defendant shall send notice that payment has been made to EPA and DOJ as provided in Paragraph 8 (Notice of Payment).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has given notice of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due, and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, the Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of any failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse an obligation to make any other payment required by Section VI (Payment of Response Costs) or performance of any other requirements of this Consent Decree.

### **VIII. COVENANTS BY PLAINTIFF**

14. **Covenants for Settling Defendant by United States.** Except as specifically provided in Section IX (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against the Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to the Site. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. These covenants extend only to Settling Defendant and do not extend to any other person.

15. **Dismissal of the FDCPA Case.** The United States covenants to seek voluntary dismissal of the FDCPA Case, pursuant to Fed. R. Civ. P. 41(a), within 30 days after the Effective Date. This covenant is conditioned upon the satisfactory performance by the Settling Defendant of its obligations under this Consent Decree.

### **IX. RESERVATION OF RIGHTS BY UNITED STATES**

16. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within Paragraph 14 (Covenants for Settling Defendant by United States). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendant when such ownership or operation commences after signature of this Consent Decree by Settling Defendant;
- e. liability based on Settling Defendant's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and

f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

## **X. COVENANTS BY SETTLING DEFENDANT**

17. **Covenants by Settling Defendant.** Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the Site and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Ohio Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or

c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law relating to the Site.

18. Except as provided in Paragraph 20 (claims against other PRPs) and Paragraph 26 (res judicata and other defenses), the covenants in this Section shall not apply in the event the United States brings a cause of action or issues an order pursuant to any of the reservations in Section IX (Reservations of Rights by United States), other than in Paragraph 16.a (liability for failure to meet a requirement of the Consent Decree) or 16.b (criminal liability), but only to the extent that Settling Defendant's claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

20. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that Settling Defendant may have for response costs relating to the Site against any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendant, and Settling Defendant expressly reserves its right to pursue its pending counterclaim against the Lammers Barrel PRP Group in the Private Party Case.

## **XI. EFFECT OF SETTLEMENT/CONTRIBUTION**

21. Except as provided in Paragraph 20 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, rights under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands,

and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

22. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree for the purpose of protection from contribution actions or claims are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person, except for the State, including OU2 RD/RA Costs; provided, however, that: (i) the “matters addressed” do not include the past response costs incurred by the Lammers Barrel PRP Group that are the subject of the Lammers Barrel PRP Group’s pending claim against the Settling Defendant in the Private Party Case or any Lammers Barrel PRP Group Committed Future Costs; and (ii) if the United States exercises rights under the reservations in Section IX (Reservations of Rights by United States), other than in Paragraph 16.a (liability for failure to meet a requirement of the Consent Decree) or 16.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

23. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which the Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

24. [RESERVED].

25. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 business days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 business days after service or receipt of any Motion for Summary Judgment, and within 10 business days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

26. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses

based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VIII.

## **XII. CERTIFICATION**

27. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, documents, or other information (including records, reports, documents, and other information in electronic form) (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State and that it has fully complied with any and all EPA and State requests for information regarding the Site pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law.

## **XIII. NOTICES AND SUBMISSIONS**

28. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
