RESPONDENT

AGREED ORDER

COME NOW the Mississippi Commission on Environmental Quality (Commission), acting through the staff and Executive Director of the Mississippi Department of Environmental Quality (MDEQ), Complainant, and GCP Laboratories, Inc., Respondent, in the above captioned cause and agree as follows:

1.

By letter dated June 11, 2026, Respondent was contacted by Complainant and notified of the following violation at its pharmaceutical manufacturing facility, located at 3600 25th Avenue, Gulfport, Mississippi in Harrison County:

- A. Respondent operated without a valid Pretreatment Permit in violation of Miss. Code Ann. § 49-17-29 (2)(b).

Condition No. S-7 of NPDES Permit No. MSP092092 required Respondent to submit an application for the renewal of the permit (renewal application) to the Mississippi Environmental Quality Board (Permit Board) at least 180 days prior to the expiration date of the permit. The permit expired on October 31, 2025; therefore, a renewal application was due on May 4, 2025.

On November 5, 2025, Respondent submitted a renewal application for Pretreatment Permit

No. MSP092092 to the Permit Board.

On June 11, 2026, the Permit Board reissued Pretreatment Permit No. MSP092092 to Respondent.

2.

In lieu of a formal enforcement hearing concerning the violation listed above, Complainant and Respondent agree to settle this matter as follows:

- A. Respondent agrees to pay and Complainant agrees to accept a civil penalty in the amount of \$7,500.00. Respondent shall pay this penalty to MDEQ within forty-five (45) days after this Agreed Order has been executed by the MDEQ Executive Director or his designee. The settlement payment shall be submitted to:

Mississippi Department of Environmental Quality  
Attn: Accounts Receivable  
P.O. Box 2339  
Jackson, MS 39225

3.

Nothing in this Agreed Order shall limit the rights of MDEQ or the Commission in the event Respondent fails to comply with this Agreed Order. The Agreed Order shall be strictly construed to apply to those matters expressly resolved herein.

4.

Nothing contained in this Agreed Order shall limit the rights of MDEQ or the Commission to take enforcement or other actions against Respondent for violations not addressed herein and for future violations of environmental laws, rules, and regulations.

5.

Respondent understands and acknowledges that it is entitled to an evidentiary hearing before the Commission pursuant to Miss. Code Ann. § 49-17-31, and that it has made an informed waiver of that right.

ORDERED, this the 19<sup>th</sup> day of August, 2026.
