RESPONDENT

AGREED ORDER

COME NOW the Mississippi Commission on Environmental Quality (Commission), acting through the staff and Executive Director of the Mississippi Department of Environmental Quality (MDEQ), Complainant, and Dutch Oil Company, Respondent, in the above captioned cause and agree as follows:

1.

By letter dated January 5, 2026, Respondent was contacted by Complainant and notified of the following violation of Synthetic Minor Operating Permit No. 1680-00081 (the Permit) at its facility located at 166 Plymouth Bluff Access Road, Columbus, Mississippi in Lowndes County:

- A. Respondent failed to submit a timely renewal application to the Mississippi Environmental Quality Permit Board (the Permit Board) in violation of Condition 1.C.1 of the Permit which states, "For renewal of this permit, the applicant shall make application not less than one-hundred eighty (180) days prior to the expiration date of the permit substantiated with current emissions data, test results or reports or other data as deemed necessary by the Mississippi Environmental Quality Permit Board." The Permit expires on April 30, 2026; therefore, the renewal application was due on November 1, 2025

On or about March 9, 2026, Respondent submitted a permit renewal application to the Permit Board.

2.

In lieu of a formal enforcement hearing concerning the violation listed above, Complainant and Respondent agree to settle this matter as follows:

- A. Respondent shall comply with all terms and conditions of Synthetic Minor Operating Permit No. 1680-00081, which was issued on May 3, 2021, until the Permit Board acts on the renewal application dated March 9, 2026.

3.

Nothing in this Agreed Order shall limit the rights of MDEQ or the Commission in the event Respondent fails to comply with this Agreed Order. The Agreed Order shall be strictly construed to apply to those matters expressly resolved herein.

4.

Nothing contained in this Agreed Order shall limit the rights of MDEQ or the Commission to take enforcement or other actions against Respondent for violations not addressed herein and for future violations of environmental laws, rules, and regulations.

5.

Respondent understands and acknowledges that it is entitled to an evidentiary hearing before the Commission pursuant to Miss. Code Ann. § 49-17-31, and that it has made an informed waiver of that right.

ORDERED, this the 14th day of April, 2026.
